

WAYS TO WORK WITH TURNKEY CFO

Choose the level of support that fits

Every plan is built on clean, current, reliable books. As your business grows, you can move up to more reporting and a closer advisory relationship. Here is what each level includes.

Books

The clean foundation. Your books, done right, every month.

- ✓ Monthly categorization and reconciliation
- ✓ Books closed and delivered by BD10
- ✓ Profit and loss and balance sheet
- ✓ Your open items handled on a set cadence
- ✓ A team to answer questions

MOST POPULAR

Books + Reporting

Everything in Books, plus reporting you can actually use to run the business.

- ✓ Everything in Books
- ✓ Reporting in plain language with the highlights called out
- ✓ Monthly summary of what changed and what to watch
- ✓ A recurring review conversation
- ✓ Budget vs actual tracking

Reporting & Advisory

Everything in Books + Reporting, plus a partner in the room for the big decisions.

- ✓ Everything in Books + Reporting
- ✓ Deeper analysis and forward looking views
- ✓ Planning support for growth and cash
- ✓ Presence at your key meetings
- ✓ Priority access to your team

Add ons, when you need them

- ✓ **Job costing** to see profit by project or job
- ✓ **Custom dashboards** tailored to your board or team
- ✓ **AP and AR** support to manage bills and invoices

A note on cleanup

If your books need catching up before we begin, that is scoped and handled separately from your monthly plan, so your ongoing service stays clean and predictable. We will tell you plainly what is involved before any work starts.

Not sure which fits Most businesses start with Books or Books + Reporting and grow into more over time. We will recommend the right starting point after we understand your business, and you can move up whenever it makes sense.
